7 July, 2020

Dear Friends,

The Streetsville Santa Claus Parade Committee is saddened to announce that Santa wants us all safe and healthy, so right now that means staying home to work in the North Pole!

Due to the current COVID19 conditions and future uncertainty, we will not be able to proceed with a Streetsville parade for 2020. We have decided to focus our efforts on planning for the best possible 2021 parade, where we can welcome back all of you and the many community organizations who have long been a mainstay of our parade.

Stay safe Santa and your team of elves, and we look forward to seeing you next year.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Mosley".

David Mosley

President, Streetsville Santa Claus Parade
